## **Location:**

**MARINA SPINUT ( PSD SPINUT – SPLIT )**  
43°30,8'N 16°25,5'E

The base is situated in small yacht harbour on the NE shore of peninsula Marjan (Bay Kastelanski zaljev). It is open all year round. The harbour is characterised by a peaceful environment.

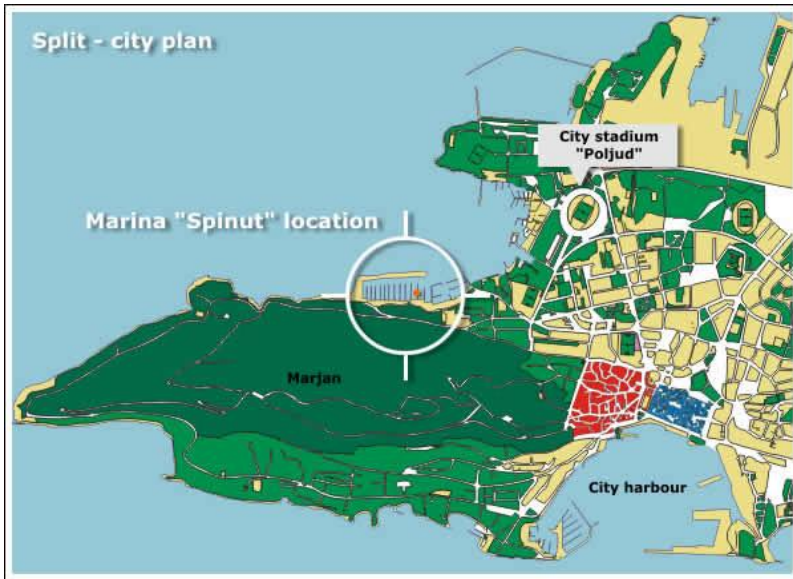

With only 22 commercial berths (from 750) and 250 boat places on land, every Client can find his own piece of quiet and enjoy in truly fragrant sea and pine. The reason of such refreshing air is the neighbourhood of Marjan Forest Park, the green oasis. The park includes jogging footway, rent-a-bike, promenades, vista points, solariums, nature paths, tennis and small football playgrounds. A marvellous view is offered from the top of Marjan on the old and new parts of Split and the islands of Solta, Brač, Hvar and Vis. It takes only few minutes of pleasant walking to reach Marjan from the Marina Spinut and 20 minutes to reach the historical core of Split through the old quarter Varos. Just behind the Marina is the beach with a clear sea water, so the time, instead of waiting for the boat to be prepared, can be used for relaxing on the sun or in the shadow of forest park. Your vacation by us, starts this way already in the harbour in the best possible way!!!

The Base Office is placed at the entrance of Marina Spinut.

**Our fleet is situated on pier number 12**
